SKILLS

HTML, CSS, JAVASCRIPT, REACT.JS, EXPRESS.JS, NEXT.JS, TAILWIND CSS, MONGODB, PRISMA.

PROFESSIONAL SUMMARY

Full-stack developer with **3+ years of experience** designing and building responsive, SEO-optimized web applications. Skilled in modern technologies including **Next.js**, **Tailwind CSS**, **Shadcn UI**, **NextAuth**, **Express.js**, **MongoDB**, and **PostgreSQL**. Experienced in delivering projects such as an **e-commerce platform** and a **hotel booking system** with custom admin dashboards, authentication, and scalable CRUD APIs. Focused on building **high-performance, user-focused applications** by leveraging strong frontend expertise and solid backend knowledge.

PROJECTS

[E-commerce Project](#)

Tech: Next.js, Prisma, PostgreSQL, Tailwind CSS, NextAuth, Stripe, PayPal

- Developed a responsive e-commerce website with product listings, cart functionality and secure checkout.
- Implemented **user authentication/authorization** for customers and admins.
- Built an **admin dashboard** to manage products, orders, and user roles with CRUD operations.
- Optimized performance using Next.js SSR for dynamic product pages
- Implemented a **real-time email notification** using Resend

[Hotel Booking Project](#)

Tech: Next.js, Prisma, PostgreSQL, Tailwind CSS, Paystack

- Developed a **hotel listing and booking platform** with secure **online payment integration (Paystack)**, improving booking reliability and user trust.
- Implemented **role-based authentication and authorization** for customers, hotel agents, and admins to ensure secure access control.

- Integrated **real-time email notifications (Resend)** to enhance user engagement and streamline booking confirmations
- Built a **comprehensive admin dashboard** with full **CRUD functionality** for managing hotels, bookings, and user roles, enabling efficient system oversight.
